Dear Valued Customer:

Please be advised that Georgia-Pacific Consumer Products LP is increasing prices up to 6% with select items increasing more than 6%, on Georgia-Pacific Professional towel, tissue, napkin, wiper, soap, and aire products due to recent cost increases.

Orders placed by Friday, December 18, 2009 calling for immediate shipment no later than Thursday, December 31, 2009 will be invoiced at current into-stock prices. Orders shipped on or after Friday, January 1, 2010 regardless of order date will be invoiced at the new price. December orders placed above your normal monthly average will be invoiced at the new prices.

All eligible End-User Pricing Agreement prices will increase effective Friday, January 1, 2010, or upon expiration date. Report of Sales (ROS) claims for distributor shipments to end-users in December will be calculated based on current, existing into-stock prices. ROS claims for January distributor shipments to end-users will be calculated based on the new into-stock prices.

Your GP representative is available to answer any questions you may have. Thank you for your support of Georgia-Pacific products.

Sincerely,
