Ref: Pallet Stretch Film Price Increase

Dear Distributor:

Resin manufacturers have announced another Industry – wide price increase. As a result, Western Plastics must implement this most recent increase on all stretch film products as follows:

All Pallet Stretch Films 10 %

Normal order requirements received on or before February 26, 2010, calling for immediate shipment will be invoiced at current levels. Orders received on or after March 1, 2010 will be billed at the increased price.

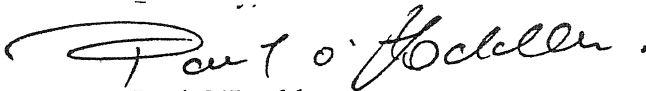

Western Plastics continues to offer a range of down gauged, high performance films designed to keep film costs low. The expanded HYBRID80 line of film is available in:

HYBRID80 Banding Film
HYBRID80 Hand and Machine Film
HYBRID80 Wide Web Film
HYBRID80 Color Film
HYBRID80 Extended Core Film

Call us today for an alternate, high performance stretch film and lower your stretch film costs.

Thank you for your continued support of Western Plastics.

Sincerely,

Paul O'Loghlen
